2021 Curbside Recycling Schedule and Information

The Town of Westfield has contracted with Grand Sanitation to provide curbside recycling pickup for 2021. Please refer to the following information that details new collection zones and schedules. Service remains on a biweekly basis, and no changes have been made to acceptable materials and guidelines.

***Acceptable plastic materials will have a "PET," "PETE," or "HDPE" mark, or the number 1 or 2 within an imprinted triangle on the bottom of the container.*

Paper products must be dry, clean, and free of food remnants, grease, or other contaminants. Recyclable bottles, jars, cans, and cartons must be empty and well rinsed with their lids or caps removed.

MATERIALS NOT ACCEPTED

The following materials cannot be placed at the curb for residential curbside pickup:

Plastics marked #3 – #7

Additional information is also available on the Town website: westfieldnj.gov/recycling.

Service Reminders

- ✓ Recycling must be at curbside by 6:00 a.m. on your recycling dates. To avoid a missed pickup, residents are urged to place their recycling at the curb no earlier than 6:00 p.m. on the evening before the pickup date.
- ✓ Weather and equipment breakdowns may affect your pickup date. If your recycling was not picked up on schedule, call the contractor, Grand Sanitation, at 908-222-1566 within 24 hours of your collection day.
- ✓ If you live in an apartment or condominium, please contact your Building Superintendent or Property Manager to find out where to place your recycling materials.
- ✓ To stay apprised of local recycling schedule changes, verify which items are accepted, and set reminders for recycling day, download the free Recycle Coach app, available in the Apple App Store and the Google Play Store.

Information for Businesses

- ✓ All businesses and institutions should refer to the County of Union Recycling Guide (ucnj.org/recycling/commercial-recycling-guide) for information about their recycling obligations options.
