**Get Screened!
It Could Save Your Life**

This project is made possible by Grants from: The New Jersey Department of Health, Office of Chronic Disease Prevention & Control / New Jersey Cancer Education & Early Detection Program (NJCEED Program)

*Limited to uninsured and underinsured women & men age 40 to 64 with income less than 250% of federal poverty guidelines who receive cancer screening at one of the participating provider sites in Union County. Cervical cancer screening age limits are 18 to 64. Those women under age 40 with a history of breast cancer in their immediate family & meet income requirements also qualify. The number of women & men who will receive **free** cancer screening at these sites is limited by the availability of public funds to pay for these services.
